Dear Garden Club Friends,

We now enjoying our wonderful Gibson Island summer weather!
Our Club pool is finally open! The "Snow Birds" have landed and we are in full swing with our different activities.

Say "Hello" to our newest GIGC members:
Heidi Parker, Carolyn Boehning and Capie Polk Baily. We are lucky to have them. Welcome!

On May 23, several Garden Club members enjoyed our first field trip of the year to Greenstreet Gardens in Lothian, Maryland. We had a professional tour of their greenhouses and we saw magnificent varieties of plants, some of which we never knew existed! Afterwards, we went to Annapolis Yacht Club for a delicious lunch - always a treat!

A "Milkweed Grant" was awarded to Nicki Schwab.
Bill Reil will help us determine the perfect place to plant them.
More news to follow!

The next meeting will be on June 20. Our guest, Carol Jelich, from Talbot County Master Garden, will lecture on Invasive Species. Please plan to attend. Call the Club for lunch reservations.

The Gibson Island Garden Club Fundraiser will take place on July 18. Invite friends, family; and bring your checkbook!
